**THE SOONER WE SIGN-UP 270 SUBSCRIBERS THE SOONER
CONSTRUCTION CAN BEGIN**

On Wednesday March 8th at a joint meeting of the Petersham Selectboard
and the Petersham Broadband MLP Board, the formal Memorandum of

Agreement between the Matrix Design Group and the Town of Petersham was signed thus enabling Petersham to begin the process of signing up subscribers for high-speed fiber-optic Internet service.

The Petersham Broadband MLP Board has simultaneously announced that deposits for ultra fast, fiber-optic Internet service (50 Mbps download and 50Mbps upload speed) are now being officially accepted at the Town Office.

The network will, starting in the fall of 2017, begin to connect subscribers to the Internet.

Subscription Forms will be mailed shortly to every Petersham household & business and will be available for pick-up in Petersham at the Country Store, Memorial Library, Quabbin Woods Restaurant, Post Office as well as the Town Office.

The initial three-month Pre-Subscription period will begin on March 9th and will close on June 9th. The installation subscription fee rate after June 9th will increase to \$1,500. Make-ready work and network construction is scheduled to begin by Petersham's chosen design & construction partner, Matrix Design, as soon as 270 customers have signed up.
