**Petersham High-Speed Internet Subscriber Pledge Agreement & Installation Fee**  
 Three Month Pre-Subscription Rate for March 9–June 9, 2017

With submission of this form and payment, I understand and agree to the following:

This completed form with payment of \$250.00 fulfills the initial pre-subscription process for installation of high-speed internet to my location. Signing up during the three-month period of March 9–June 9, 2017, commits me to fulfilling a 24-month minimum Customer Service Subscription upon completion of the network to my location. A separate 'Customer Terms of Service Agreement' defining my service options will be delivered to me for review and service selection prior to completion of my network connection; and upon which time I will be invoiced an additional and final \$250.00 installation fee for a total installation fee of \$500.00.

My enclosed payment will be deposited in a dedicated Escrow Account established and held by the Town of Petersham. Securing of 270 or more subscribers by June 9, 2017, will fulfill the process required to implement the network design and build-out; in the event that securing the minimum number of 270 subscribers is not met, payment will be returned to me in full by the Town. The installation fee after June 9, 2017 is \$1,500.00.
